CEILING SCULPO

Sculpo Ceiling avoids sound waves to continue ascending in a particular place. It can be easily installed, and besides giving acoustic comfort, it brings identity to any space, due to its stately presence.

- PET material (20mm)
- Round Corners
- Different shapes
- Acoustic properties
- Eco-friendly
- Fire-retardant
- Adjustable height
- Simple to handle and mount with included mounting hardware

With 20mm thickness and round corners, the product is designed to have minimalist shapes, giving an elegant, modern and efficient touch to the office space.

The product provides a wide range of variations in shapes and sizes, possible to combine and achieve ceiling compositions.

With adjustable height cables, it is simple to handle and mount, with included mounting Hardware.
